Parent Support for the Field House

Whether it's a field hockey playoff game, a championship wrestling match or even indoor soccer practice, you want to support your son's or daughter's athletic achievements at Foxcroft Academy. Starting with the upcoming fall sports season, you will now be able to show support for your student-athletes by sharing encouraging words and messages on our new field house messaging board! Over the years it's been shown that seeing words of encouragement and receiving praise from friends and family members can help contribute to an individual athlete's motivation to compete and to perform. By sharing uplifting messages such as "Christina, you're doing awesome!" or "Good luck Andy, we're proud of you!", you can help improve attitudes and performances while at the same time showing the support and encouragement our kids need to help them succeed. Join us today by sending a \$250.00 (September thru May) membership fee to Foxcroft Academy Athletics or call us at (207) 564-8351 or see our giving page at <https://foxcroftacademy.org/giving> to learn more about opportunities with the field house messaging board. We're excited about the upcoming fall sports season, and we look forward to sharing words of support for our young Pony athletes!
